Attachment B-2

Site Reconnaissance (2-6 March 1998) Photographic Log Sheets

PHOTOGRAPHIC LOG for Ft. McCLELLAN

PROJECT No.
Camera Make/Model X370 Minolta 200 speed film

Page 1 of 3
3/3/98

Roll/ Photo	Date/ Time	Description	Camera setting	Photographer
A1	3/3/98 0934	GSA Area site 129(7) NW toward Hwy 21		Mike Nazerias = MN
A2	3/3/98 0940	GSA Area Site 129(7) NW ~~toward~~ toward Hwy 21 further downstream		MN
A3	0955	~~Building~~ Site 151(7) SW direction looking over Building ~~256~~ 257 road parallel to cane creek		MN
A4	1012	Site 67(7) S direction looking onto motor pool building area.		MN
A5	1023	Sites 69(7), 2(7) 91(7), SW from GSA/Motor Pool area looking at portion of South Branch Creek		MN
A6	1043	2 sites at Former Motor Pool Area 2000 & former gas station - behind go-cart building NW direction	144(7) 137(7)	MN
A7	1043	same location, in SE direction, looking down a drainage ditch draining sewer/storm water into South Branch		MN
A8	1055	Auto Craft Area (site 100(7)) SW direction	100, 20, 47(7)	MN
A9	1100	Behind SE fence drainage ditch & pipe outfall ~~in~~ (NW direction photo)		MN
A10	1105	Auto Craft Area stream in NW direction including flood plain discharge location		MN
A11	1105	SE direction at same location (upstream)		MN
A12	1115	Same Auto Craft Area into stream; example of Elimnia population in stream		MN
A13	1124	From north end of facility facing S direction looking to pipes discharging from across street		MN
A14	1126	farther down stream, facing S direction Auto Craft Area		MN
A15	1128	farther down stream at reemergence of stream through metal conduit (Auto Craft		MN

PHOTOGRAPHIC LOG for Ft. McCLELLAN

PROJECT No.
Camera Make/Model X370 Minolta

3/3/98

Roll/ Photo	Date/ Time	Description	Camera ~~Direction~~ ~~Setting~~ Direction	Photographer
A16	3/3/98 1134	Former Flame Thrower Training Area; open area ~~wooded~~ with no aquatic habitat 97(7)	SE	MN
A17	1300	DFH Area outside south fence (parking lot) 64(7) & 1(7) just N of Cane Ck	NE	MN
A18	1305	West fence of DFH overlooking standing water pond	NE	MN
A19	1310	West fence of DFH (behind photographer) looking at conduits to cane creek (behind bridge)	SW	MN
A20	1314	Looking down at western storm sewer discharge from DFH	E	MN
A21	1315	Looking into DFH Area yard	S	MN
A22	1335	Looking at photolab building at surrounding field & tree stands (Training Aids Building 166(7))	NW	MN
A23	1345	Looking into area designated as old Hospital along drainage channel (95(7))	~~NW~~ NE	MN
A24	1357	Looking over small creek east of FMP 800 & southern fence 164, 11, 68, 12	N	MN
A25	1403	may not have been exposed	—	—
B1	1406	Looking into FMP 800 yard	NE	MN
B2	1415	Farther west along road; wetlands area adjacent to SW fence of site; groundwater discharge	NE	MN
B3	1420	SW fence line; Creek flowing toward SE	NE	MN
B4	1425	Western side of site looking at discharge pipe	SW	MN
		to SW creek. Algae growth prominant beginning at pipe discharge pt. Algal growth decreases ~10yrds upstream of pipe & decreases more gradually with distance downstream. Pipe empties oil/water separator on inside of fence
