Subject: Slip Sheet, Revision 1, Final Site-Specific Work Plan, Ordnance and Explosives (OE) Removal Action for the Water Tank Construction Sites in the Bravo Area, Task Order 0022, Ordnance and Explosive Response at Fort McClellan, Alabama, Contract Number DACA87-99-D-0010

Dear Ms. Tadesse:

In accordance with comments provided by the Alabama Department of Environmental Management (ADEM) and discussions with your office, a revision has been made to the Final Site-Specific Work Plan for Ordnance and Explosives (OE) Removal Action for the Water Tank Construction Sites in the Bravo Area, Task Order 0022. Please update your copy by removing the existing pages 3 and 4 from the work plan and replacing with the enclosed pages 3 and 4. Copies are provided in accordance with the attached distribution list and the Scope of Work.

If you have any questions concerning this submission, please contact Todd Biggs, Task Order Manager, or me at (256) 820-7904.

Sincerely,

Arthur B. Holcomb, P.E.
Project Manager
