RE: SECOND CONCURRENCE LETTER – Please note change for your files
FOSTs for Parcel E-1.13.501 (South of Reilly Airfield) and E-7 (Building 350 compound)

Dear Mr. Levy:

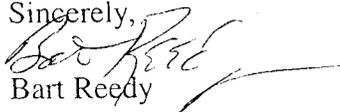

Please be aware that I recently, (today), sent a concurrence letter for these parcels. That letter was in error. The parcel names were transposed. Thanks to Ms. Lisa Kingsbury of your office, my mistake was pointed out before I left the office today. Unfortunately, the hard copy of that letter has already left for your office, so I could not simply replace the mailing with this letter. Please disregard the first letter.

Please consider this a concurrence letter on the Findings of Suitability to Transfer, FOSTs, for the E-1.13.501 and E-7 property.

Please be aware that we expect a copy of the deed(s) or other transfer documents inclusive of all terms (including notices/covenants) both prior to and after execution of the documents.

Should you have any questions, or if I can be of any assistance please contact me at the letterhead address or at 404-562-8541, or via e-mail at www.reedy.bart@epamail.epa.gov.

Sincerely,

Bart Reedy
