Dear Mr. Holcomb;

Under Contract W912DY-D-04-0011, Task Order 0004, TtEC provided the Draft "Site-Specific Work Plan for MEC Removal Action Along Bains Gap Road at Ft. McClellan, Alabama".

The US Army Engineering and Support Center, Huntsville, the Fort McClellan Transition Force, and Alabama Department of Environmental Management have reviewed the work plan. No comments would affect the start up of non-intrusive activities. You may begin non-intrusive activities.

If you believe this action constitutes a change to your contract, do not proceed with performance. Instead, formally notify me of the basis of your position and await instructions. I may (1) confirm that it is a change; direct the mode of further performance, and plan for its funding; (2) countermand the alleged change; (3) notify you that no change is considered to have occurred. Proceeding with performance without first notifying me of your position will be at your own risk.

If you have any questions, please call Mr. Dan Copeland at (256) 895-1567.
