RE: ADEM Review and Comment: Range 12 Supplemental Soil Removal and Erosion Control Report, dated August 2009
Fort McClellan, Calhoun County, Alabama
Facility I.D. No. AL4 210 020 562

Dear Mr. Bolton:

The Alabama Department of Environmental Management (ADEM or the Department) has reviewed the *Range 12 Supplemental Soil Removal and Erosion Control Report*, dated August 2009. The soil removal activities and erosion control corrective and preventive measures that were implemented are reasonable and appropriate. However, ADEM notes that there is no mention of continued inspection and/or maintenance to ensure that erosion does not occur in the future. Therefore, the Department concurs with the work that was done but requests that a maintenance and inspection plan be submitted.

If you have any questions or concerns regarding this matter, please contact Mrs. Ashley T. Mastin of the Remediation Engineering Section at 334-271-7797 or via email at atmastin@adem.state.al.us.
